

We Dreamed Our Dreams

(believed written by Aiden Hazelswitch some few hundred years ago)

Intro chords

F D G Em A C D G Em A

[C]We dreamed our [D]dreams as we walked at night[A]among the mists
[A]Your promise came like a [D]crow's re[G]frain, sure and [A]true
And I gave my promise, too[D]

[D]We dreamed our dreams as we kissed in the autumn [A]gladness
And then the cry, it would [D]be good-[G]bye and you'd be gone[A]
Like the raven, you'd be [D]gone

[D]With winter's chill in my [G]hills I stood a[D]lone
I [C]called your na[D]me and heard a sil[Em]ence[A]
Where[D] are you now?

Where[D] are you now?

[D]as I linger where vows were [A]whispered?
Another year the [D]black crow [G]sings, I feel the pain[A]
Did we dream our [D]dreams in vain?
